

The Pebbler

Fall 2010

League Representatives

Would you like to have some input
into your club?

We are looking for a representative
from each evening or afternoon
league to sit on the Curling
Committee.

The Curling Committee meets once
a month to make curling decisions
that will effect everyone.

We need men and women with
new and great ideas!!

Monday night- Nettie Kaufman has
come forward. Thanks Nettie!

SPARES

Teams are encouraged to use the
spare board. This has been
somewhat overlooked in the past,
but should be encouraged.

REMEMBER, IF YOU USE THE
SPARE BOARD, THAT PLAYER CAN
PLAY ANY POSITION, IF YOU USE
A SPARE FROM ANOTHER TEAM,
THEY MUST PLAY LEAD OR
SECOND.

If spares from another team play
any other position the game is a
forfeit.

(Dominion Club Champion has made
league play more important to some)

Geothermal System

*The Fort Frances Curling Club is in the
process of applying for a geothermal
system grant through NOHFC.
This is a lengthy process with a small
committee doing a lot of work,
Once things are in order the Board of
Directors will do a presentation to the
curling membership for approval.*
